Adding Print Credits (PridePrint)

Additional print credits can be purchased at Student Accounts in room 206 of Memorial Hall. Please be sure to read the notes below prior to purchasing additional credits.

- Purchased print credits are **non-refundable**. Do not purchase an excessive number of credits if you don’t need them. You can always purchase more if necessary.
- Purchased print credits carry over to the next academic year.
- Unused purchased print credits are only forfeited 90 days after you graduate or leave the university. University provided print credits expire at the end of the academic year (or on the date print credits are refreshed).

**Need Help?** Contact the Student Technical Support Center.
